2. About SAAD:

The Student Association of Artificial Intelligence and Data Science (SAAD) at NMIET is more than just a student organization - it's a community of curious minds passionate about exploring the world of Al and Data Science.

At SAAD, we learn by doing. From hands-on workshops and hackathons to real-world projects and expert talks, we create spaces where ideas come alive and students grow together.

Our goal is to bridge the gap between classroom learning and real industry experience - helping students turn knowledge into innovation and curiosity into impact.

Together, we're building a future shaped by intelligence, creativity, and collaboration powered by Al, driven by people.

3. Vision and Mission

Vision

- To become a leading student-driven platform that cultivates excellence in Artificial Intelligence and Data Science by fostering innovation, research, and technological leadership, while empowering students to become future-ready professionals and responsible contributors to the global tech ecosystem.

Mission

- To conduct technical and non-technical events that foster innovation, creativity, and teamwork.
- To provide practical exposure through workshops, projects, competitions, and industry interaction.

4. Activities and Initiatives

- **SAAD Inauguration**

  The official inauguration of SAAD marked the beginning of a new era of innovation at NMIET

- **Webinar & Q&A Session on AI and Data Science**

  On September 5th, 2025, SAAD hosted an insightful webinar featuring **Dr. Krishna Chaitanya Rao Kathala**, Program Director of Data Science and Research at The Ohio State University.

- **AVISHKAR – Research Poster Competition**

  Organized under the Department of Artificial Intelligence & Data Science, AVISHKAR served as a research poster showcase platform for students to present innovative ideas and research-driven concepts.

- **Searchathon: Diwali Edition**

  Blending tradition with technology, SAAD organized "Searchathon: Diwali Edition," an offline Google Hunt competition designed to challenge logical reasoning and problem-solving skills.
